Income Tax Regulations 2007/Ngaahi Tu'utu'uni ki he Tukuhau Vāhenga' 2007 (Regulation 14/Tu'utu'uni 14)

NOTES: Under sections 7 and 73 of the Income Tax Act 2007 a return from the master operating a ship belonging to a non-resident person is required to be lodged with the Chief Commissioner before the departure of the ship from a port in Tonga unless an arrangement is in place with the Chief Commissioner. Tax is imposed at the rate of 3% of the gross amount derived from the carriage of passengers, livestock, mail, merchandise or goods embarked in Tonga. This is the final liability of the non-resident owner or operator of the ship. The Chief Commissioner will determine the amount of income tax due and notify the master of the ship, in writing, of the amount due. The master is liable for the amount due and the Commissioner of Revenue will not grant a port clearance until the amount due has been paid or satisfactory arrangements for payment have been made.
